Presenting a gift of stools to the HPB and the City to go in and around the Log Trapper's Cabin in Shaver Park

- Kim and Elissa welcomed Ava Blaufauss and her mom Liz, who were instrumental in making 4 stools which they gifted to the city through the HPB. Ava used the project for her Silver Star award, volunteering many hours to research and build the stools, along with the history and period of time when the Trapper's Cabin, in Shaver Park, would have been constructed.
- Kim and Elissa plan to write an article highlighting the donation to the city, along with the pictures we took to submit to Jason Jenkins with the Sun Sailor
