PARKS and TRAILS Workshop
May 7, 2014

Workshop meeting was call to order at 6:32 p.m. in the City Hall Conference Room

Present: Chair Dan Baasen, Joanie Cunningham, Sarah Randolph, Merrily Borg Babcock, Council Member Bridget Anderson, City Manager Heidi Nelson and Tara Perkins, Brochure Designer

Paper Size: Tara did a walk through of her ideas suggesting that a format of 24"X 16" be used for the paper size but this was discouraged by Board in favor of a smaller paper size (11" x 17").

FRONT PANEL

- **Photographs:** Although the photo used for the layout was lovely, the decision was made to find photos of our parks to use on the brochure. A variety of seasons would be preferred, if those are available. Heidi was going to look through the files for any that the city may have and present them at the next meeting. Photos of the retail section was discouraged. The panorama view of sailboats was approved in the sepia tones.
- **Mission Statement-**Approved
- **P&T Board Members-**Delete (non-resident) after Holly's name.
- **Same Panel-**Add a photograph if one is available.
- **Parks & Trails Amenities:** This list was filled in and will be given to the Public Works Staff to make any necessary corrections. North and South Library Park names were discussed (*what was our conclusion on those names ?*) and changes made to Wayzata Depot/Museum, Post Office Pocket Park, and staff was going to check to see if there was basketball at the Wayzata West Middle School (*that name needs to change also*) *Later suggestion/s: Add a column and cells for gardens and separate tennis and Pickleball*
- **PARKS & TRAILS copy:** Most copy in this section was fairly weak so staff- Christen Classy and Heidi would work on copy and present revisions to the Board at the next meeting.
- **PLACEHOLDER Panel-**It was decided to talk about the history of our parks (or was that the history of our town?).

BACK (Map) PANEL

Map corrections were made:

- Division between Ridgeview Drive and Highway 12 Bypass
- Rectangle area by "F" indicating tennis courts at middle school
- Bike and walking bridge across Bypass from Mtka. Ave.
- "B, P, D, 7" moved down/south one block

- Two sections for library park North and South w/two numbers
- Reconfigure "C" boat docks to area along the shore by Depot
- Delete lower horizontal red line on # 12-Shaver Park & Dakota Trail
- Move No./So. street names up 3 spaces starting at Ferndale over to Central
- Delete Circle Dr. leg but leave in Circle A Drive and add name.
- Remove small road icon off of Shady Lane
- Extend road (Arlington Circle) down to lake
- Add road icon to boat launch area down to lake
- Delete white boats in bay
- Delete road icons left of the BIG WOODS
- Complete rr tracks and name BNSF

RIGHT PANEL (Map side)

All park names need to be the same on both sides

"Legend" font or color needs to be more readable

Wayzata Beach and Marina needs to move up so it does not go below fold line

(Photos could be added to this side in the Bay)

The decision was made that we will need to discuss distribution at a future meeting.
Once approved, turn around time can be two day (???)

Babcock moved to adjourn the meeting at 8____, seconded by Randolph.

Respectfully submitted by,
Merrily Borg Babcock, Recording Sec'y
