

**WAYZATA CITY COUNCIL
MEETING MINUTES
JANUARY 6, 2026**

AGENDA ITEM 1. Call to Order.

Mayor Mullin called the meeting to order at 7:00 p.m. Mayor Mullin shared the multiple options for joining remotely and submitting comments or questions.

AGENDA ITEM 2. Pledge of Allegiance.

AGENDA ITEM 3. Roll Call.

Council Members present: Mullin, Sorensen, MacDonald, Plechash, and Koch. Also present: Interim City Manager Yager, Public Works Director/City Engineer Kelly, Community Development Director Sharpe, City Attorney Schelzel, and Litigation Attorney Jason Kuboushek (Closed Session).

Mayor Mullin noted earlier this evening, the City Council, pursuant to State Statute 13D.05, subdivision 3(b), participated in a Closed Special Meeting. The following items were on the agenda:

- Lake West Development, LLC, 200 Lake Street East LLC, and Curt Fretham, Plaintiffs, vs. City of Wayzata, Defendant
- Dray Trustee, LLC, vs. City of Wayzata, Defendant
- DLC 2020 Revocable Trust, Plaintiff, vs City of Wayzata, Kyle Hunt & Partners Artisan Homes, Laurie S. Headrick, Karin S. Webster, and Craig B. Swanson, Defendants
- Adlon C. Adams, 225 Manitoba Ave LLC, Olivia A. Adams, Wayzata Cottage, LLC, and Robert C. Fisher, as Trustee of the Robert C. Fisher Trust dated July 8, 2016, Plaintiffs/Petitioners, vs. City of Wayzata, Defendant
- Jeffrey Lee Holmers, 306 Barry Ave N LLC, Scott Tripps, 1020 Lake Street E LLC, Anna Ovsyannikova, and Yevgeniy Ogranovich, Plaintiffs/Petitioners, vs. City of Wayzata, Defendant

AGENDA ITEM 4. Approve Agenda.

Ms. MacDonald made a motion, seconded by Mr. Koch, to approve the agenda, as presented. The motion carried 5/0.

AGENDA ITEM 5. Public Forum.

Mayor Mullin noted that one card was turned in with a request to speak during the Public Forum and invited Mr. Peterson to address the Council.

Kevin P. explained that he was not a Wayzata resident but lives in the Ferndale North neighborhood with his wife and 3 daughters. He stated that he owned multiple businesses in Minnesota and Wisconsin and planned to visit all the cities within Hennepin County over the next 90 days. He explained that his goal with the visits was to encourage the cities to have a coordinated effort to achieve specific goals during the truth-in-taxation period. He shared the goals that he would like them to accomplish, including review and reform

of property tax assessment policies/practices, and to conduct an audit of County spending, focusing on health and human services spending. He shared examples of information he had received from a data practices request he had submitted to the County regarding their spending related to non-profit organizations.

a. Swearing in Police Officer Omarr Wallace, Police Sergeant Kyle Kirschner, and Deputy Chief Brad Schoenherr

Police Chief Baker introduced Officer Omarr Wallace and shared details on his education, background, and experience.

Officer Wallace was sworn in by Interim City Manager Yager.

Officer Wallace expressed his appreciation to the City for allowing him to serve the community, his family, and support from the officers within the Department that have supported his journey.

There was a round of applause for Officer Wallace.

Police Chief Baker introduced Sergeant Kyle Kirschner and shared details on his education, background, and experience.

Sergeant Kirschner was sworn in by Interim City Manager Yager and expressed his appreciation to the City. He noted that to serve as a police officer, the entire family needed to be on board with their profession and thanked his family, friends, and peers for their ongoing support.

There was a round of applause for Sergeant Kirschner.

Police Chief Baker introduced Deputy Chief Schoenherr and shared details about his education, background, and experience.

Deputy Chief Schoenherr was sworn in by Interim City Manager Yager and explained that he was honored and grateful for the opportunity to serve in this role within the City. He expressed his appreciation to members of the Department, Council, staff, and his family for their support. He briefly outlined his planned focus as Deputy Chief for the Wayzata Police Department.

Mayor Mullin stated that he was grateful to the first responders for their commitment to the City and thanked them for stepping up to serve the community. He stated that he was very proud that the Council chambers were full tonight in honor of the incoming Police Officers.

Mr. Plechash stated that Wayzata is a welcoming and nurturing place for law enforcement, and they truly value what they do in serving the community.

Mayor Mullin recessed the meeting at 7:24 p.m. and reconvened at 7:33 p.m.

AGENDA ITEM 6. New Agenda Items.

AGENDA ITEM 7. Consent Agenda.

Mayor Mullin read the items on the consent agenda and asked if any Council member wished to pull an item for further discussion.

Mr. Koch noted that he had some questions regarding item e.

Hearing no additional requests, he asked for a motion to approve the Consent Agenda, with item e. removed for separate discussion. Mr. Plechash made a motion, seconded by Ms. MacDonald, to approve the consent agenda, with the removal of item e:

a. Approval of City Council Regular meeting minutes of December 16, 2025

- 1 b. Approval of Check Register
- 2 c. Approval of Municipal Licenses
- 3 d. Approval of 2026-2035 Capital Improvement Plan
- 4 ~~e. Approval of 2026 Lease Agreement with the Greater Wayzata Area Chamber of~~
- 5 ~~Commerce (removed for separate discussion)~~
- 6 f. Approval of Letter of Agreement with Merrily Borg Babcock for the Maple Tree
- 7 Tapping Program
- 8 g. Approval of April 7, 2026, 5:30 p.m., as the time and date for the 2026 Local Board
- 9 of Appeals and Equalization meeting
- 10 h. Approval of Professional Services Agreement between the City of Wayzata and
- 11 Abdo Financial Solutions for Financial Consulting Services for 2026

12

13 The motion carried 5/0.

14

15 Former Consent Agenda Item e: Approval of 2026 Lease Agreement with the Greater

16 Wayzata Area Chamber of Commerce

17 Mr. Koch explained that he had pulled this item because he had concerns about the

18 significant increase in the lease rate that was being charged. He stated that one of the

19 reasons given was to cover the City's costs and asked for an explanation from staff about

20 those costs.

21 Ms. Yager gave a brief explanation on how staff had looked into actual costs for

22 things like utilities, trash, snow removal, and repairs/maintenance.

23 Mr. Koch stated that he understood the City was trying to cover its costs, but his

24 opinion is that the Chamber was a unique tenant and not just a 'market' tenant. He stated

25 that the Chamber was a valuable member of the community, and it would be justified if

26 they were to get a rate better than the market rate for the rental, and cautioned the City

27 against further rent increases for them.

28 Mayor Mullin noted that he had similar concerns and suggested that the City keep

29 a watchful eye on this situation.

30

31 Mayor Mullin asked for a motion. Ms. MacDonald made a motion, seconded by Mr.

32 Plechash, to Approve the 2026 Lease Agreement with the Greater Wayzata Area Chamber

33 of Commerce, as presented. The motion carried 5/0.

34

35 **AGENDA ITEM 8. Public Hearings.**

36

37 **AGENDA ITEM 9. New Business.**

38 **a. Recognize Resigning Board and Commission Members**

39 Mayor Mullin listed off the Board and Commission members who were leaving their seats

40 in 2026 and expressed appreciation to: Bianca Jensen – Parks & Trails; Sarah Randolph,

41 Parks & Trails; David Kirkland – Energy & Environment; KC Chermak – Energy &

42 Environment; Kent Howe – Charter Commission; Dan Koch – Housing and

43 Redevelopment Authority; Kelly Gratton – Heritage Preservation Board; and Judy Starkey

44 – Heritage Preservation Board.

45

1 **b. Consider Approval of the First Reading of Ordinance No. 855 Authorizing the**
2 **Issuance of General Obligation Equipment Certificates for Fire Department**
3 **Ladder Truck and Adoption of Resolution 03-2026, Authorizing the Issuance**
4 **and Sale of General Obligation Equipment Certificates, Series 2026A**

5 Ms. Yager explained that the goal of this item was to issue debt to purchase a ladder truck
6 for the Fire Department. She shared background on the existing ladder truck, the impact
7 of debt, and outlined the next steps in the process.

8 Ms. MacDonald asked when the City can expect to receive the new ladder truck, if
9 this action is approved by the Council.

10 Ms. Yager explained that they have been told that delivery would be in late March
11 or early April.

12
13 Mayor Mullin asked for a motion. Mr. Plechash made a motion, seconded by Mr. Koch, to
14 Approve the First Reading of Ordinance No. 855 Authorizing the Issuance of General
15 Obligation Equipment Certificates for a Fire Department Ladder Truck. The motion carried
16 5/0.

17
18 Mayor Mullin asked for a motion on the draft resolution. Mr. Sorensen made a motion,
19 seconded by Mr. Plechash, to Adopt Resolution No. 03-2026, Authorizing the Issuance
20 and Sale of General Obligation Equipment Certificates, Series 2026A. The motion carried
21 5/0.

22
23 **a. Consider Adoption of Resolution 02-2026 Approving a Variance for Lot Width**
24 **and CUP for a Two-Family Home at 220 Central Avenue S**

25 Community Development Director Sharpe gave an overview of the variance request for lot
26 width and a CUP for a two-family home at 220 Central Avenue S. He reviewed the project
27 location, land use guidance, zoning, details of the request and proposed plan, existing
28 conditions, the comments from the Engineering Department, and the two public comments
29 that were received. He outlined the discussion and recommendation from the Planning
30 Commission.

31 Mr. Plechash asked about the placement of the existing detached garage structure
32 and its proximity to the lot line.

33 Mr. Sharpe explained that the detached garage building was very close to the lot
34 line, but cautioned that the aerial photograph and the depicted property lines were from an
35 outside service and were not as accurate as they would be through the County. He noted
36 that he believed the detached garage was within 5 feet of the property line.

37 Mr. Plechash asked if the Council would be considering this item if everything
38 about the plans were the same, other than it just being one home and not a two-family
39 home.

40 Mr. Sharpe answered that both the CUP and the variance request were related to the two-
41 family home. Ms. MacDonald asked about the property to the south of this parcel and
42 noted that she believed it was also a multi-family unit. She asked if this building pre-dated
43 the City's restrictions for having lots that were 100 feet deep as well as 100 feet wide.

44 Mr. Sharpe stated that the property to the south is 100 feet wide and exceeds 100
45 feet in depth, and noted that the home on the property to the south was closer than the 10-
46 foot setback to this property. He noted that the subject property was about 300 feet deep.

1 Ms. MacDonald asked if any of these style townhomes were already in the City.

2 Mr. Sharpe explained that he was not aware of any that had this same design in the
3 City, but he had seen similar designs in other communities.

4

5 Ms. MacDonald stated that she would like to know what the applicant could have
6 done within the City's Accessory Dwelling Unit (ADU) code.

7 Mr. Sharpe gave a brief overview of the City's ADU code and noted that the ADU
8 would need to be secondary to the primary unit and could not be the same size.

9 Mr. Koch asked about the minimum lot width for a single-family home.

10 Mr. Sharpe stated that for a single-family home, it would be 60 feet.

11 Mayor Mullin asked if the garage on the back of the first building was connected
12 or if there would be a separation.

13 Mr. Sharpe stated that the applicant could give specific information, but noted that
14 his understanding is that there was a shared wall between the two units.

15 Todd Polifka the owner of Custom One Homes, stated that their proposal was to
16 attach the two units, but they were open to them being detached as well. He gave a brief
17 review of their plans and goals for this project.

18 Mr. Sorensen asked if the intent was to build both units at the same time.

19 Mr. Polifka stated that they would building both units at the same time.

20 Mr. Sorensen asked if he had been aware when they first started this process that
21 they may need a variance and a CUP.

22 Mr. Polifka stated they had the understanding that they would be able to go to three
23 units on this parcel.

24 Mr. Koch asked if there would be a way to flip the plans and move the driveway to
25 the south side of the property so there would be more of a buffer.

26 Mr. Polifka stated that the property on the north side was a multi-unit dwelling and
27 explained that they have position this proposal to be centered on the lot. He noted that one
28 of their other considerations in their plans was the topography of the lot and water runoff.
29 He noted that their plans were to bring this to the center, and explained that they were
30 planning to provide some additional screening on the south. He gave a brief overview of
31 their plans to capture water runoff to ensure it will drain properly.

32 Mr. Koch asked if these units were sold as two separate units, if they created a lot
33 split, and two separate legal descriptions.

34 Mr. Sharpe explained that various ways this could be set up by the applicant.

35 Mr. Polifka clarified that the existing driveway sits on the north property line and
36 their plans would also make the driveway more centered.

37 Ms. MacDonald asked if the homes would have a porch or deck space.

38 Mr. Polifka stated that they will be on grade-level and would have porch and patio
39 space.

40 Mr. Plechash asked if they had considered making these two separate structures.

41 Mr. Polifka stated that they had considered that and discussed that option with
42 previous City staff who had recommended that they keep the structure together because of
43 the City code.

44 Mr. Sharpe noted that he believed there could be some clarification in the City code
45 regarding attached and detached homes.

1 Mr. Plechash asked if the applicant would have preferred to have two separate
2 structures on this parcel.

3 Mr. Polifka stated that being detached was probably always preferred, but there
4 were some efficiencies within the cost structure by keeping them together. He reiterated
5 that what had been communicated to them by City staff was that this approach was the
6 correct path for them to follow.

7 Ms. Yager noted that there was someone in the audience who would like to speak
8 on this item.

9 Mayor Mullin stated that the City had received communication in their packet from
10 Jeff N., as well as a phone call on this item. He noted that this communication made
11 reference to traffic on Central Avenue but had also referenced challenging the practical
12 difficulties standard being solely economic in nature. He explained that the City had
13 received other feedback, independent of this application, about parking issues on Central
14 Avenue.

15 Josh C. Central Avenue S, stated that they want to be good neighbors and explained
16 that they welcome this project. He noted that he would like to reaffirm item 3 from the
17 proposed Resolution, that there be further discussion between themselves and the applicant
18 about potential water issues, because the boundary is sensitive. He noted that, thus far,
19 there had only been an introductory conversation, but no detailed discussions had taken
20 place yet.

21 Mr. Sharpe explained that the meeting referenced would be something that staff
22 would check into at the time of the building permit application, when there were more
23 detailed plans.

24 Mr. Koch noted that he felt this language was a bit wishy-washy, that they should
25 meet and try to come up with a solution. He asked if the City felt like they had enough
26 control over this situation to ensure it was an acceptable plan through the permitting
27 process.

28 Mr. Sharpe stated that he was confident that the City had the tools in place to
29 address stormwater management. He noted that the City's authority would be to regulate
30 this lot.

31 Mayor Mullin explained that he felt the Council was calling out a concern regarding
32 language and intent, which he felt was valid. He suggested that they bring the conversation
33 back to the application to determine whether or not they were heading towards approval,
34 and then could revisit the proposed resolution language.

35 Mr. Plechash explained that he did not have a problem with this application and
36 noted that if this had the same footprint in the plans but was a single-family home, the
37 Council wouldn't even need to discuss this. He stated that the discussion around item 3
38 has been put on the record, and there has also been agreement between the parties that the
39 meeting would take place. He noted that he did not have a problem with the existing
40 language and felt it was clear that they needed to meet and come up with a plan.

41 Mr. Sorensen stated that this application relies on the City's interpretation and felt
42 there were strong arguments for both sides. He briefly reviewed the criteria the Council
43 should consider when looking at this application. He noted that if the City approves this,
44 he believed it would be important that there is compliance with the site plan that is
45 developed. He noted that the applicant was very creative in how they positioned the home

1 on the lot so it looks like one house. He stated that he would like to see them include some
2 conditions that this is the site plan that will actually be developed.

3 Ms. MacDonald stated that he agreed with some of the concerns shared by Mr.
4 Koch related to practical difficulty considerations. She stated that she liked the condition
5 proposed by Mr. Sorensen related to the site plan and agreed that it was important that this
6 would look like a single-family home from the street. She noted that she had been a bit
7 worried for the neighbors, but with Mr. Curb sharing that they supported the project, made
8 her feel better. She stated that because the City needed more diversity in housing and
9 creative approaches, she planned to vote in favor of this request.

10 Mr. Koch stated that he agreed with much of what had already been shared by the
11 Council. He noted that he liked that the neighbors came out to support the overall project,
12 and he was also generally supportive of it.

13 Mayor Mullin asked some clarifying questions of City Attorney Schelzel regarding
14 some of the language included in the findings of fact.

15 City Attorney Schelzel briefly reviewed the findings of fact and the language used.

16 Mayor Mullin asked the Council to weigh in on the suggestion from Mr. Sorensen
17 for additional conditions related to the site plan and for the structures to be built at the same
18 time.

19 Mr. Koch stated that he would be okay with the suggestions.

20 Mr. Schelzel noted that a significant change to the plans would require a new
21 application. He stated that they could add a condition that the project be built in substantial
22 conformance with the site plan depicted on page 138 of the packet and be attached to the
23 resolution as an exhibit.

24 Mayor Mullin asked the applicant to address the suggestion regarding building the
25 units at the same time.

26 Mr. Polifka stated that he would agree to the condition that the units be built at the
27 same time with a 'yes', with an asterisk, because they could be in a situation where the
28 foundation and the shell goes up but the interior may not be finished on the second home
29 because the buyer may want to finish it the way they want to. He clarified that the structure
30 and envelope of the structure would be built at the same time.

31 Mr. Plechash pointed out that the existing structures are non-conforming, so this
32 plan improves on that situation related to setback. He stated that he did feel that the
33 proposed plans would change the essential character of the neighborhood, but believed that
34 it would improve things for the better. He reiterated that if this were just one building with
35 one family, the Council would not even be talking about it, and the proposed plans,
36 visually, are essentially the same thing.

37
38 Mayor Mullin asked for a motion on the draft resolution. Mr. Plechash made a motion,
39 seconded by Ms. MacDonald, to Adopt Resolution No. 02-2026 Approving a Variance for
40 Lot Width and CUP for a Two-Family Home at 220 Central Avenue S, with the additional
41 condition that the project be built in substantial conformance with the site plan depicted on
42 page 138 of the packet and be attached to the resolution as an exhibit. The motion carried
43 5/0.

44
45 **b. Consider Adoption of Resolution 01-2026 Designating Appointments and**
46 **Assignments for 2026**

1 Ms. Yager reminded the Council that appointments and assignments for the year were
2 something the Council undertook on an annual basis.

3 Mayor Mullin noted that the Council had a brief discussion before the meeting with
4 a proposed change to the appointments for the Panoway Partnership Team from Ms.
5 MacDonald to Mr. Koch.

6
7 Mayor Mullin asked for a motion on the draft resolution. Mr. Koch made a motion,
8 seconded by Mr. Sorensen, to Adopt Resolution No. 01-2026 Approving Designating
9 Appointments and Assignments for 2026, with the change to appoint Mr. Koch to the
10 Panoway Partnership Team. The motion carried 5/0.

11
12 **AGENDA ITEM 10. City Manager's Report and Discussion Items.**

13 Mayor Mullin gave a brief update on the City's search for a new City Manager and
14 explained that Interim City Manager Yager had done an excellent job. He explained that
15 the City would be going through the process of reviewing internal and external candidates
16 throughout January and February. He explained that the hope was that there would be a
17 recommended candidate for the City Manager position by the end of February. He
18 reminded residents that the State of the City would be on February 26, 2026, beginning at
19 6:30 p.m.

20
21 **a. Upcoming Events/Announcements**

- 22 • Opening celebration for Klapprich Park is rescheduled from January 10, 2026, to
23 February 7, 2026, from 1:00 to 3:00 p.m.

24
25 **b. Council Member Updates/Announcements**

26 Mayor Mullin expressed appreciation to the Public Works/Parks staff for their dedication
27 to getting the rink open.

28
29 **AGENDA ITEM 11. Public Forum Continued (if necessary).**

30 There were no comments.

31
32 **AGENDA ITEM 12. Adjournment.**

33 There being no further business, Mayor Mullin asked for a motion to adjourn. Mr. Plechash
34 made a motion, seconded by Ms. MacDonald, to adjourn. Mayor Mullin adjourned the
35 meeting at 9:00 p.m.

36
37 Respectfully submitted,

38
